In re Application of:	:	
Ono et al.	:	
Serial No.: 10/582,654	:	PETITION DECISION
Filed: February 20, 2008	:	
Attorney Docket No.: 6235-75996-01	:	

This is in response to the petition under 37 CFR § 1.59(b), filed January 14, 2011, to expunge information from the above identified application. This application has not been allowed.

Petitioner requests that the IDS filed on December 29, 2010 (including the cover form and the 1449 form) be expunged from the USPTO records for this application due to an error in a statement made in the IDS cover form. Applicants are concurrently herewith submitting a new IDS (which cites the same references submitted on December 29, 2010).

Petitioner states either: (A) that the information contains trade secret material, proprietary material and/or material that is subject to a protective order which has not been made public; or (B) that the information submitted was unintentionally submitted and the failure to obtain its return would cause irreparable harm to the party who submitted the information or to the party in interest on whose behalf the information was submitted, and the information has not otherwise been made public. The petition fee set forth in 37 CFR § 1.17(g) has been paid.

The reasons set forth in this petition establishes to the satisfaction of the Director that expungement of the information is appropriate. The file entry for these documents has been closed and as such the documents are no longer publicly available, which is the IFW equivalent to removal of a paper document from a paper file wrapper.

Therefore, petitioner's petition is GRANTED.

Should there be any questions about this decision please contact Marianne C. Seidel by letter addressed to Director, TC 1600, at the address listed above, or by telephone at 571-272-0584 or by facsimile sent to the general Office facsimile number, 571-273-8300.
